## Gaps to fix

- HIBISCUS is switched OFF on IG and FB, and the pink hibiscus post is live. SKU 89094549.
- MASK sends the storefront link, not a product SKU.
- GEL and MASK fire on DMs only, not comments. 'Comment GEL' does nothing.
- Facebook products: only SCRUB is on. NATIVE, SOOTHE, BROW, SOAK, HIBISCUS all off.
- TikTok has NO automations. All Club Target product video goes there.
- BUDGET (Paycheck Planner) and SESSION (Decision Session) are off. Paid products, no path.
- No keyword for: Cozy Nights candle, glass pumpkin, Tillamook, Good & Gather.

CESA on the Cesa account also fires on ~50 natural phrases (my dog, senior dog, how old, passed away, at 19). CONSIDER on that account fires on sign me up, add me, count me in, the newsletter, weekly note.
